FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety (DPS) - Alcohol and Tobacco Control (ATC)** assume the proposal would not fiscally impact their agency. The festival licenses that will be issued would have been issued under a caterers or picnic license previously, so there will be no impact there. The boating license may generate an additional \$300.

New Section 311.483 allows the supervisor of liquor control (assumed to be Alcohol and Tobacco Control) to issue temporary permits for festivals lasting up to seven days. The permittee shall pay \$10 for each calendar day or fraction thereof. For the Senate Committee Substitute, **Oversight** assumed this could generate an unknown amount (probably under \$100,000) of revenue for the General Revenue Fund. Oversight ranged the fiscal impact in the SCS from DPS' 'no impact' response to an increase in revenue of under \$100,000. However, after discussing this new section with ATC, Oversight will remove the potential fiscal impact from the fiscal note from this provision. ATC stated that people who will apply for the new festival license are currently applying for a caterer's license (Section 311.485), which also is \$10 per day. Therefore, the addition of Section 311.483 will not generate a material amount of revenue.

Section 311.055 - Home brewed:

In response to a similar proposal from this year (SB 114), officials from the **Department of Public Safety - Alcohol and Tobacco Control (ATC)** stated this would not have a material fiscal impact to their agency. ATC states they will be working with the Department of Health and Senior Services and other local agencies to ensure that this proposal does not inadvertently impact public safety.

In response to a similar proposal from this year (SB 114), officials from the **Department of Health and Senior Services** assumed the proposal would not fiscally impact their agency.

Officials from the **Department of Revenue** assume the proposal would not fiscally impact their agency.

Oversight assumes this section would not have a direct fiscal impact on the state.

ASSUMPTION (continued)

Section 311.091 - Vessel on Table Rock Lake:

Oversight assumes the number of vessels that would meet the qualifications for this license would be very limited. Therefore, Oversight assumes this amendment would not generate a material amount of liquor license fee revenue.

<u>FISCAL IMPACT - State Government</u>	FY 2014 (10 Mo.)	FY 2015	FY 2016
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2014 (10 Mo.)	FY 2015	FY 2016
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

Small businesses in the liquor industry could be impacted as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

The proposal has an emergency clause for Section 311.055.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
